Pricing your holiday

- Our holiday prices are based on 12 nights, accommodation only for two adults and all children, and include gas, electricity and taxes. The prices are for holidays of seven to 21 nights – please call for short break prices. We offer a range of direct and Landbridge ferry crossings from Ireland – please see page 128-131 for full details.
- Once you have determined your base price, add or deduct any extra/fewer nights, plus any site supplements and mobile or lodge upgrades. You will also need to add the nightly supplement if your accommodation has air-conditioning or decking. Finally, deduct the €110 or €55 saving.
